

Chris Spiller

Tennis Coach

My enthusiasm for tennis started when I was 5 and hasn't ever stopped. I continually strive to develop new skills & enhanced my existing ones. I enjoy seeing players grow and make their own way on the tennis journey, whether that be high level or club. I joined the Bradfield Tennis Coaching Team in September 2022. I currently work across all levels within the coaching programme. I also work with the boys U14 & U18 Berkshire County Team where last year the U18's won County Cup Group Division 3 earning promotion to Division 2. Tennis has been an integral

part of my life since I was 4 years old when I was watching Wimbledon on TV. I played and worked my way through the age groups competing at every level and represented Sussex. I always aspired to play at a high level but unfortunately an injury prevented this. However due to this it turned my eyes to coaching and I've not looked back since. I love tennis and I want my players to feel the same way I do.

Currently I am LTA Level 4 Senior Club Coach (SCC), licensed LTA official and UKRSA certified racket technician.

My work history includes:
